Terms

Prices are subject to change at anytime without notice. New customer rates are subject to discontinuation or expiration. All free domains are for a registration period of one year. Domains will automatically renew at the prevailing rate after one year unless cancelled (see cancellation terms). All hosting will automatically renew at a matching term after term has expired unless cancelled (see cancellation terms). Hosting will renew at the prevailing renewal rates.

Cancellation

All accounts can be cancelled within 30 days for a refund. If your service included a free domain, the cost of the domain will be deducted from the refund. Cancellation after 30 days will cause forfeiture of the remaining term on the account, as well as the cost of the domain being charged to the credit card on file.

Accounts can be cancelled within 30 days after they renew at no charge. Domain renewals are non refundable.
